CORPORATE CHARTER OF THE KALISPEL INDIAN COMMUNITY
OF THE KALISPEL RESERVATION, WASHINGTON

Ratified May 28, 1938

Whereas, the Kalispel Indian Community of the Kalispel Reservation in the State of Washington constitutes a recognized Indian tribe organized under a constitution and by-laws adopted by the members of the Kalispel Band of Indians on February 26, 1938, and approved by the Secretary of the Interior on March 24, 1938, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984), as amended by the Act of June 15, 1935 (49 Stat. 378); and

Whereas, more than one-third of the adult members of the Community have petitioned that a charter of incorporation be granted to such Community, subject to ratification by a vote of the adult Indians living on the reservation:

Now, therefore, I, Oscar L. Chapman, Assistant Secretary of the Interior, by virtue of the authority conferred upon me by the said Act of June 18, 1934 (48 Stat. 984), do hereby issue and submit this Charter of incorporation to the Kalispel Indian Community of the Kalispel Reservation to be effective from and after such time as it may be ratified by a majority vote of the adult Indians living on the reservation at an election in which at least 30 per cent of the eligible voters vote.

1. Corporate Existence. In order to further the economic development of the Kalispel Indian Community of the Kalispel Reservation in the State of Washington by conferring upon the said Community certain corporate rights, powers, privileges and immunities; to secure for the members of the Community an assured economic independence; and to provide for the proper exercise by the Community of various functions heretofore performed by the Department of the Interior, the aforesaid Kalispel Indian Community is hereby chartered as a body politic and corporate of the United States of America, under the corporate name "The Kalispel Indian Community of the Kalispel Reservation."

2. Perpetual Succession. The Kalispel Indian Community of the Kalispel Reservation shall, as a Federal corporation, have perpetual succession.

3. Membership. The Kalispel Indian Community of the Kalispel Reservation shall be a membership corporation. Its members shall consist of all persons now or hereafter members of the Community, as provided by its duly ratified and approved Constitution and By-laws.

4. Management. The Kalispel Community Council established in accordance with the said Constitution and By-laws of the Kalispel Indian Community, shall exercise all the corporate powers hereinafter enumerated.

5. Corporate Powers. The Kalispel Indian Community, subject to any restrictions contained in the Constitution and laws of the United States, or in the Constitution and By-laws of the said Kalispel Indian Community, shall have the following corporate powers, in addition to all powers already conferred or guaranteed by the Tribal Constitution and By-laws:

(a) To adopt, use, and alter at its pleasure a corporate seal.

(b) To purchase, take by gift, bequest, or otherwise, own, hold, manage, operate, and dispose of property of every description, real and personal, subject to the following limitations:

- (1) No sale or mortgage may be made by the Community of any land or interests in land, including mineral rights, now or hereafter held by the Community within the boundaries of the Kalispel Indian Reservation.
- (2) No leases or permits (which terms shall not include land assignments to members of the Community) or timber sale contracts covering any land or interests in land now or hereafter held by the Kalispel Indian Community within the boundaries of the Kalispel Reservation shall be made by the Community for a longer term than five years, and all such leases, permits or contracts must be approved by the Secretary of the Interior or by his duly authorized representative; but mineral leases or any leases requiring substantial improvements of the land may be made for longer periods when authorized by law.
- (3) No action shall be taken by or in behalf of the Community which in any way operates to destroy or injure the Community grazing lands, timber or other natural resources of the Kalispel Indian Reservation. All leases, permits or timber sale contracts relating to the use of Community grazing or timber lands shall conform to regulations of the Secretary of the Interior authorized by Section 6 of the Act of June 18, 1934, with respect to range-carrying capacity, sustained yield forestry management and other matters therein specified. Conformity to such regulations shall be made a condition of any such lease, permit or contract whether or not such agreement requires the approval of the Secretary of the Interior, and violation of such condition shall render the agreement revocable, in the discretion of the Secretary of the Interior.

(c) To issue interests in corporate property in exchange for restricted Indian lands, the forms for such interests to be approved by the Secretary of the Interior.

(e) To engage in any business that will further the economic well-being of the members of the Community or to undertake any activity of any nature whatever, not inconsistent with law or with any provisions of this Charter.

(f) To make and perform contracts and agreements of every description, not inconsistent with law or with any provisions of this Charter, with any person, association, or corporation, with any municipality or any county, or with the United States or the State of Washington for the rendition of public services: Provided, That all contracts involving payment of money by the corporation in excess of \$300 in any one fiscal year shall be subject to the approval of the Secretary of the

Interior or his duly authorized representative.

(i) To sue and to be sued in courts of competent jurisdiction within the United States; but the grant or exercise of such power to sue and to be sued shall not be deemed a consent by the Community or by the United States to the levy of any judgment, lien or attachment upon the property of the Kalispel Indian Community other than income or chattels specially pledged or assigned.

(j) To exercise such further incidental powers, not inconsistent with law, as may be necessary to the conduct of corporate business.

The termination shall be effective upon ratification by a majority vote of the adult members of the Community residing on the Reservation, at an election in which at least 30 per cent of the eligible voters vote. If at any time after ten years from the date of ratification of this Charter such request shall be made and the Secretary shall disapprove it or fail to approve or disapprove it within 90 days after its receipt, the question of the termination of any such power may then be submitted by the Secretary or by the Community Council to popular referendum of the adult members of the Community actually living within the Reservation, and if the termination is approved by two-thirds of the eligible voters, it shall be effective.

7. Corporate Property. No property rights of the Kalispel Indian Community shall be in any way impaired by anything contained in this Charter, and the Community ownership of unallotted lands, whether or not assigned to the use of any particular individuals is hereby expressly recognized. The individually owned property of members of the Community shall not be subject to any corporate debts or liabilities, without such owners' consent. ARTICLE V — LAND

SECTION 1. Allotted Lands.—Allotted lands, including heirship lands, within the Kalispel Reservation shall continue to be held as heretofore by their present owners. It is recognized that under existing law, such lands may be condemned for public purposes, such as roads, public buildings or other public improvements, upon payment of adequate compensation, by any agency of the State of Washington, or of the Federal government, or by the Kalispel Indians themselves. It is further recognized that under existing law such lands may be inherited by the heirs of the present owner, whether or not they are members of the Kalispel Indian Community. Likewise, it is recognized that under existing law, the Secretary of the Interior may, in his discretion, remove restrictions upon such land, upon application by the Indian owner, whereupon the land will become subject to State taxes and may then be mortgaged or sold. The right of the individual Indian to hold or to part with his land, as under existing law, shall not be abrogated by anything contained in this Constitution, but the owner of restricted land may with the approval of the

Secretary of the Interior, voluntarily convey his land to the Kalispel Indian Community, either in exchange for a money payment or in exchange for an assignment covering the same land or other land, as hereinafter provided.

SEC. 2. Community Land.—The unallotted lands of the Kalispel Reservation, and all lands which may hereafter be acquired by the Kalispel Indian Community or by the United States in trust for the Community, shall be held as Community lands, and no part of such land shall be mortgaged or sold. Community lands shall not be allotted to individual Indians but may be assigned to members of the Community, or leased, or otherwise used by members of the Community as hereinafter provided.

SEC. 3. Leasing of Community Lands.—Community lands may be leased by the Business Committee, with the approval of the Secretary of the Interior, for such periods of time as are permitted by law. In the leasing of the Community lands, preference shall be given, first, to Indian cooperative associations, and secondly, to individual Indians who are members of the Kalispel Indian Community.

SEC. 4. Grant of Standard Assignments.—In any assignment of Community lands which are now owned by the Kalispel Indian Community or which hereafter may be acquired for the Community by the United States or purchased by the Kalispel Indian Community out of Community funds, preference shall be given, first to heads of families which are entirely landless, and secondly, to heads of families which have no allotted lands or interests in allotted lands but shall have already received assignments consisting of less than an economic unit of agricultural land or other land or interest in land of equal value.

No member of the Kalispel Indian Community who may hereafter have the restrictions upon his land removed and whose land may thereafter be alienated shall be entitled to receive an assignment of land as a landless Indian.

The Business Committee may, if it sees fit, charge a fee not to exceed \$5.00, on approval of an assignment made under this section.

Assignments made under this section shall be for the primary purpose of establishing homes for landless Indians, and shall be known as standard assignments.

SEC. 5. Tenure of Standard Assignments.—If any member of the Kalispel Indian Community holding a standard assignment of land shall, for a period of two years fail to use the land so assigned, or use such land for any unlawful purposes, his assignment may be cancelled by the Business Committee, after due notice and an opportunity to be heard, and the said land may be reassigned in accordance with the provisions of section 4 of this Article.

Upon the death of any Indian holding a standard assignment, his heirs or other individuals designated by him by will or by written request, shall have a preference in the reassignment of the land, provided such persons are members of the Community who would be eligible to receive a standard assignment.

SEC. 6. Grant of Exchange Assignments.—Any member of the Kalispel Indian Community who owns any restricted or unrestricted land or any interest therein may, with the approval of the Secretary of the Interior, voluntarily transfer his interest in such land to the Community in exchange for an assignment to the same land or other land of equal value. If the assignee prefers, he may receive, in lieu of a specific tract of land, a proportionate share in a larger grazing unit.

Assignments made under this section shall be known as exchange assignments.

SEC. 7. Leasing of Exchange Assignments.—Exchange assignments may be used by the assignee or leased by him to Indian cooperative associations, to individual members of the Kalispel Indian Community, or, if no individual Indian or Indian cooperative association is able and willing to rent the land at a reasonable fee, such assignments may be leased to non-Indians in the same manner as allotted lands.

SEC. 8. Inheritance of Exchange Assignments.—Upon the death of the holder of any exchange assignments, his interest shall be reassigned by the Business Committee to his heirs, or devisees, subject to the following conditions:

(a) Such land may not be reassigned to any heir or devisee who is not a member of the Kalispel Indian Community, except that a life assignment may be made to the surviving widower or widow of the holder of an assignment.

(b) Such lands may not be reassigned to any heir or devisee who already holds more than an economic unit of grazing land or other land or interest in lands of equal value, to be determined from time to time by the Business Committee.

(c) Such lands may not be subdivided among heirs or devisees into units too small for convenient management. No area of grazing land shall be subdivided into units smaller than 160 acres, and no area of agricultural land shall be subdivided into units smaller than ten acres except that land used for buildings or other improvements may be divided to suit the convenience of the parties. Where it is impossible to divide the land properly among the eligible heirs or devisees, the Business Committee shall issue to each heir or devisee an interest in tribal land or property of the same value as his interest in the assignment of the decedent.

(d) If there are no eligible heirs or devisees of the decedent, the land shall be eligible for reassignment in accordance with the provisions of section 4 of this Article.

SEC. 9. Inheritance of Improvements.—Improvements of any character made upon assigned land may be bequeathed to and inherited by members of the Kalispel Indian Community, or otherwise disposed of under such regulations as the Business Committee shall provide. No permanent improvements shall be removed from the land without the consent of the Business Committee.

SEC. 10. Exchange of Assignments.—Assignments may be exchanged between members of the Community by common consent in such manner as the Business Committee shall designate.

SEC. 11. Use of Unassigned Community Land.—Community land which is not assigned, including Community timber reserves, shall be managed by the Business Committee for the benefit of the members of the Kalispel Indian Community, and any cash income derived from such land shall accrue to the benefit of the Community as a whole. All action of the Business Committee with respect to such lands shall be in conformity with departmental regulations for the protection of Indian range and timber resources authorized by section 6 of the Act of June 18, 1934.

SEC. 12. Purchase of Land by Community.—Community funds may be used, with the consent of the Secretary of the Interior, to acquire land, under the following conditions:

(a) Land within the Kalispel Reservation or adjacent to the boundaries thereof which is not now in Indian ownership, may be purchased by or for the Kalispel Indian Community.

(b) Restricted land, which is in heirship status at the time of the adoption and approval of this Constitution, may be purchased by or for the Kalispel Indian Community, with the consent of all the adult heirs, and the legal guardians of minor heirs, payment thereof to be made as may be agreed upon.

(c) Land owned by any member of the Community who is over the age of 60 years, or who is physically incapacitated, may be transferred by its owner to the Kalispel Indian Community in exchange for a pension of not more than twice the annual rental value of the land for the life of the pensioner, to be paid out of available Community funds.

(d) Land owned by any member of the Community in excess of 80 acres of agricultural land or a proportionate area of other land may be purchased by the Kalispel Indian Community with the consent of the owner, payments to be made under such terms as may be agreed upon.

(e) Land owned by any member of the Community who desires to leave the Community permanently may be purchased by the Kalispel Indians under such terms as may be agreed upon.

SEC. 13. Method of Making Assignments.—Application for assignments shall be filed with the Secretary of the Business Committee and shall be in writing, setting forth the name of the person or persons applying for the land and as accurate a description of the land desired as the circumstances will permit. Notices of all applications received by the Secretary shall be posted by him in the agency office and in at least three conspicuous places within the Community for not less than 20 days before action is taken by the Business Committee. Any member of the Kalispel Indian Community wishing to oppose the granting of an assignment shall do so in writing, setting forth his objections to be filed with the Secretary of the Business Committee and may, if he so desires, appear before the Business Committee to present evidence. The Secretary of the Business Committee shall furnish the Superintendent or other officer in charge of the agency a complete record of all action taken by the Business Committee upon applications for assignments of land, and a complete record of assignments shall be kept in the agency office and shall be open for inspection by members of the Community. The Business Committee shall draw up one or more forms for standard assignments, which shall be subject to the approval of the Secretary of the Interior.

ARTICLE VI — AMENDMENTS

This Constitution and By-laws may be amended by a majority vote of the qualified voters of the Kalispel Indian Community voting at an election called for that purpose by the Secretary of the Interior: Provided, That at least 30 per cent of those entitled to vote shall vote in such election; but no amendment shall become effective until it shall have been approved by the Secretary of the Interior. It shall be the duty of the Secretary of the Interior to call an election on any proposed amendment upon presentation of a petition signed by 20 eligible voters of the Community.

Ratified February 27, 1937

Whereas, the Makah Indian Tribe of the Makah Indian Reservation in the State of Washington constitutes a recognized Indian Tribe organized under a Constitution and By-laws ratified by the members of the Makah Tribe of April 18, 1936, and approved by the Secretary of the Interior on May 16, 1936, pursuant to section 16 of the Act of June 18, 1934, (48 Stat. 984), as amended by the act of June 15, 1935, (49 Stat. 378); and

Whereas, more than one-third of the adult members of the Tribe have petitioned that a charter of incorporation be granted to such Tribe, subject to ratification by a vote of the adult Indians living on the reservation;

Now, therefore, I, Harold L. Ickes, Secretary of the Interior, by virtue of the authority conferred upon me by the said act of June 18, 1934, (48 Stat. 984), do hereby issue and submit this Charter of Incorporation to the Makah Indian Tribe of the Makah Reservation to be effective from and after such time as it may be ratified by a majority vote of the adult Indians living on the reservation at an election in which at least 30 per cent of the eligible voters vote.

1. Corporate Existence. In order to further the economic development of the Makah Indian Tribe of the Makah Reservation in the State of Washington by conferring upon the said Tribe certain corporate rights, powers, privileges and immunities; to secure for the members of the Tribe an assured economic independence; and to provide for the proper exercise by the Tribe of various functions heretofore performed by the Department of the Interior, the aforesaid Tribe is hereby chartered as a body politic and corporate of the United States of America, under the corporate name "The Makah Indian Tribe."

2. Perpetual Succession. The Makah Indian Tribe shall, as a Federal corporation, have perpetual succession.

3. Membership. The Makah Indian Tribe shall be a membership corporation. Its members shall consist of all persons now or hereafter members of the Tribe, as provided by its duly ratified and approved Constitution and By-laws.

4. Management. The Makah Indian Tribal Council established in accordance with the said Constitution and By-laws of the Tribe, shall exercise all the corporate powers hereinafter enumerated.

5. Corporate Powers. The Tribe, subject to any restrictions contained in the Constitution and laws of the United States, or in the Constitution and By-laws of the said Tribe, shall have the following corporate powers, in addition to all powers already conferred or guaranteed by the tribal Constitution and By-laws:

(a) To adopt, use, and alter at its pleasure a corporate seal.

(b) To purchase, take by gift, bequest, or otherwise, own, hold, manage, operate, and dispose of property of every description, real and personal, subject to the following limitations:

All leases, permits and timber-sale contracts relating to the use of tribal grazing or timber lands shall conform to regulations of the Secretary of the Interior authorized by section 6 of the act of June 18, 1934, with respect to range carrying capacity, sustained yield forestry management, and other matters therein specified. Conformity to such regulations shall be made a condition of any such lease, permit, or timber-sale contract, whether or not such agreement requires the approval of the Secretary of the Interior, and violation of such condition shall render the agreement revocable, in the discretion of the Secretary of the Interior.

(c) To issue interests in corporate property in exchange for restricted Indian lands, the forms for such interests to be approved by the Secretary of the Interior.

(e) To engage in any business that will further the economic well-being of the members of the Tribe or to undertake any activity of any nature whatever, not inconsistent with law or with any provisions of this charter.

(i) To sue and to be sued in courts of competent jurisdiction within the United States; but the grant or exercise of such power to sue and to be sued shall not be deemed a consent by the Tribe or by the United States to the levy of any judgment, lien, or attachment upon the property of the Tribe other than income or chattels specially pledged or assigned.

(j) To exercise such further incidental powers, not inconsistent with law, as may be necessary to the conduct of corporate business.

The termination shall be effective upon ratification by a majority vote of the adult members of the Tribe residing on the reservation, at an election in which at least 30 per cent of the eligible voters vote. If at any time after ten years from the date of approval of this Charter, the Secretary shall disapprove a request for the termination of any such power, or fail to approve or disapprove it within 90 days after its receipt, the question of its termination may then be submitted by the Secretary or by the Tribal Council to popular referendum of the adult members of the Tribe actually living within the reservation, and if the termination is approved by two-thirds of the eligible voters it shall be effective.

Excessive bail shall not be required and cruel punishment shall not be imposed.

ARTICLE VIII -- LAND

SECTION 1. Allotted Lands.--Allotted lands, including heirship lands, within the Makah Reservation shall continue to be held as heretofore by their present owners. It is recognized that under existing law such lands may be condemned for public purposes, such as roads, public buildings, or other public improvements, upon payment of adequate compensation, by any agency of the State of Washington or of the Federal Government, or by the tribe itself. It is further recognized that under existing law such lands may be inherited by the heirs of the present owner, whether or not they are members of the Makah Indian Tribe. Likewise it is recognized that under existing law the Secretary of the Interior may, in his discretion, remove restrictions upon such land, upon application by the Indian owner, whereupon the land will become subject to State taxes and may then be mortgaged or sold. The right of the individual Indian to hold or to part with his land, as under existing law, shall not be abrogated by anything contained in the constitution, but the owner of restricted land may, with the approval of the Secretary of the Interior, voluntarily convey his land to the Makah Indian Tribe either in exchange for a money payment or in exchange for an assignment covering the same land, or other land, as hereinafter provided.

SEC. 2. Tribal lands.--The unallotted lands of the Makah Reservation, and all lands which may hereafter be acquired by the Makah Indian Tribe or by the United States in trust for the Makah Indian Tribe shall be held as tribal lands, and no part of such land shall be mortgaged or sold. Tribal lands shall not be allotted to individual Indians but may be assigned to members of the Makah Indian Tribe, or leased, or otherwise used by the tribe, as hereinafter provided.

SEC. 3. Leasing of tribal lands.--Tribal lands may be leased by the tribal council, with the approval of the Secretary of the Interior, for such periods of time as are permitted by law.

In the leasing of tribal lands preference shall be given, first, to Indian cooperative associations of members of the tribe; and secondly, to individual Indians who are members of the Makah Indian Tribe.

SEC. 4. Grant of standard assignments.--In any assignment of tribal lands which now are owned by the tribe or which hereafter may be acquired for the tribe by the United States or purchased by the tribe out of tribal funds, preference shall be given, first, to heads of families which are entirely landless; and secondly, to heads of families which shall have no allotted lands or interests in allotted lands, but shall have already received assignments consisting of less than an economic unit of agricultural land or other land or interest in land of equal value.

No allotted member of the Makah Indian Tribe who may hereafter have the restrictions upon his land removed and whose land may thereafter be alienated except to the tribe shall be entitled to receive an assignment of land as a landless Indian.

The tribal council may, if it sees fit, charge a fee of not to exceed \$5 on approval of an assignment made under this section.

Assignments made under this section shall be for the primary purpose of establishing homes for landless Indians, and shall be known as standard assignments.

SEC. 5. Tenure of standard assignments.--If any member of the tribe holding a standard assignment of land shall, for a period of 2 years fail to use the land so assigned or use such land for any unlawful purpose, his assignment may be canceled by the tribal council after due notice and an opportunity to be heard, and the said land may be reassigned in accordance with the provisions of section 4 of this article.

Upon the death of any Indian holding a standard assignment, his heirs or other individuals designated by him, by will or by written request, shall have a preference in the reassignment of the land, provided such persons are members of the Makah Indian Tribe who would be eligible to receive a standard assignment.

SEC. 6. Grant of exchange assignments.--Any member of the tribe who owns an allotment or any share of heirship land may voluntarily transfer his interests in such land to the tribe in exchange for an assignment to the same land or other land of equal value. If the assignee prefers, he may receive, in lieu of a specific tract of land, a proportionate share in a larger grazing unit.

Assignments made under this section shall be known as "exchange assignments."

SEC. 7. Leasing of exchange assignments.--Exchange assignments may be used by the assignee or leased by him to Indian cooperative associations of members of the tribe to individual members of the tribe, or, if no individual Indian or Indian cooperative association of members is able and willing to rent the land at a reasonable fee, such assignments may be leased to non-members in the same manner as allotted lands.

SEC. 8. Inheritance of exchange assignments.--Upon the death of the holder of any exchange assignment, such land shall be reassigned by the tribal council to his heirs or devisees, subject to the following conditions:

(a) Such lands may not be reassigned to any heir or devisee who is not a member of the Makah Indian Tribe, except that a life assignment may be made to the surviving widower or widow of the holder of an assignment.

(b) Such lands may not be reassigned to any heir or devisee who already holds more than an economic unit of land to be determined from time to time by the tribal council.

(c) Such lands may not be subdivided among heirs or devisees into units too small for convenient management. No area of uncleared or timber land shall be subdivided into units smaller than 40 acres, and no area of tillable agricultural land shall be subdivided into units smaller than 2 1/2 acres, except that land used for buildings or other improvements may be divided to suit the convenience of the parties. Where it is impossible to divide the land properly among the eligible heirs or devisees, the tribal council may issue to the eligible heirs or devisees interests in tribal lands of the same value as the assignment of the decedent.

(d) If there are no eligible heirs or devisees of the decedent, the land shall be eligible for reassignment in accordance with the provisions of section 4 of this article.

SEC. 9. Inheritance of improvements.--Improvements of any character made upon assigned land may be bequeathed to and inherited by members of the Makah Indian Tribe or otherwise disposed of under such regulations as the tribal council shall

provide: Provided further, That sales of improvements on the land of any decedent can be made only to members of the Makah Indian Tribe.

SEC. 11. Use of unassigned tribal land.--Tribal land which is not assigned, including tribal timber reserves, shall be managed by the tribal council for the benefit of the members of the entire tribe, and any cash income derived from such land accrue to the benefit of the tribe as a whole. All action of the tribal council with respect to such lands shall be in conformity with departmental regulations for the protection of Indian range and timber resources authorized by section 6 of the act of June 18, 1934.

SEC. 12. Purchase of land by tribe.--Tribal funds may be used, with the consent of the Secretary of the Interior, to acquire land, under the following conditions:

SEC. 13. Method of making assignments.--Applications for assignment shall be filed with the secretary of the council and shall be in writing, setting forth the name of the person or persons applying for the land and as accurate a description of the land desired as the circumstances will permit.

Notices of all applications received by the secretary shall be posted by him in the agency office and in at least three other conspicuous places on the reservation for not less than 20 days before action is taken by the council. Any member of the tribe wishing to oppose the granting of an assignment shall do so in writing, setting forth his objections, to be filed with the secretary of the council, and may if he so desires, appear before the council to present evidence. The secretary of the council shall furnish the superintendent or other officers in charge of the agency a complete record of all action taken by the council on applications for assignment of land, and a complete record of assignments shall be kept in the agency office and shall be open for inspection by members of the tribe.

It is further recognized that under existing law such lands may be inherited by the heirs of the present owner, whether or not they are members of the Quileute Tribe. Likewise, it is recognized that under existing law, the Secretary of the Interior may, in his discretion, remove restrictions upon such land, upon application by the Indian owner, whereupon the land will become subject to State taxes and may then be mortgaged or sold. The right of the individual Indian to hold or to part with his land, as under existing law, shall not be abrogated by anything contained in this Constitution, but the owner of restricted land may, with the approval of the Secretary of the Interior, voluntarily convey his land to the Quileute Tribe either in exchange for a money payment or in exchange for an assignment covering the same land, or other land, as hereinafter provided.

No allotted member of the Quileute Tribe who may hereafter have the restrictions upon his land removed and whose land may thereafter be alienated, except to the Tribe, shall be entitled to receive an assignment of land as a landless member.

The Tribal Council may, if it sees fit, charge a fee of not to exceed five (\$5.00) dollars on approval of an assignment made under this section.

Assignments made under this section shall be for the primary purpose of establishing homes for landless members and shall be known as standard assignments.

SEC. 5. Tenure of standard assignments.—If any member of the Tribe holding a standard assignment of land shall, for a period of two (2) years, fail to use the land so assigned or use such land for any unlawful purpose, his assignment may be cancelled by the Tribal Council after due notice and an opportunity to be heard, and the said land may be reassigned in accordance with the provisions of section 4 of this article.

Upon the death of any Indian holding a standard assignment, his heirs or other individuals designated by him, by will or by written request, shall have a preference in the reassignment of the land, provided such persons are members of the Quileute Tribe who would be eligible to receive a standard assignment.

SEC. 6. Grant of exchange assignments.—Any member of the Tribe who owns an allotment or any share of heirship land may voluntarily transfer his interests in such land to the Tribe in exchange for an assignment to the same land or other land of equal value. If the assignee prefers, he may receive in lieu of a specific tract of land a proportionate share in a larger unit.

Assignments made under this section shall be known as exchange assignments.

SEC. 7. Leasing of exchange assignments.—Exchange assignments may be used by the assignee or leased by him to Indian cooperative associations of members of the Tribe or to individual members of the Tribe, or, if no individual member or cooperative association of the members of the Tribe is able and willing to rent the land at a reasonable fee, such assignments may be leased to non-Indians in the same manner as allotted lands.

SEC. 8. Inheritance of exchange assignments.—Upon the death of the holder of any exchange assignment, such land shall be reassigned by the Tribal Council to his heirs or devisees, subject to the following conditions:

(a) Such lands may not be reassigned to any heir or devisee who is not a member of the Quileute Tribe, except that a life assignment may be made to the surviving widower or widow of the holder of an assignment.

(b) Such lands may not be reassigned to any heir or devisee who already holds more than an economic unit of land, to be determined from time to time by the Tribal Council.

(c) Such lands may not be subdivided among heirs or devisees into units too small for convenient management. No area of uncleared or timber land shall be subdivided into units smaller than forty (40) acres, and no area of tillable

agricultural land shall be subdivided into units smaller than two and one-half (2 1/2) acres, except that land used for buildings or other improvements may be divided to suit the convenience of the parties. Where it is impossible to divide the land properly among the eligible heirs or devisees, the Tribal Council may issue to the eligible heirs or devisees other interests in tribal lands of the same value as the assignment of the decedent.

(d) If there are no eligible heirs or devisees of the decedent, the land shall be eligible for reassignment in accordance with the provisions of Section 4 of this article.

SEC. 9. Inheritance of improvements.—Improvements of any character made upon assigned land may be bequeathed to and inherited by members of the Quileute Tribe or otherwise disposed of under such regulations as the Tribal Council shall provide; provided, that sales of improvements on the land of any decedent can be made only to members of the Quileute Indian Tribe.

SEC. 10. Exchange of assignments.—Assignments may be exchanged between members of the Quileute Tribe by common consent in such manner as the Tribal Council shall designate.

SEC. 11. Use of unassigned tribal land.—Tribal land which is not assigned, including tribal timber reserves, shall be managed by the Tribal Council for the benefit of the members of the entire Tribe, and any cash income derived from such land shall accrue to the benefit of the Tribe as a whole. All action of the Tribal Council with respect to such lands shall be in conformity with departmental regulations for the protection of Indian range and timber resources authorized by Section 6 of the Act of June 18, 1934.

SEC. 12. Purchase of land by tribe.—Tribal funds may be used, with the consent of the Secretary of Interior, to acquire land, under the following conditions:

(a) Land within the Quileute Reservation or adjacent to the boundaries thereof which is not now in Indian ownership, may be purchased by or for the Quileute Tribe.

(b) Restricted land, which is in heirship status at the time of the adoption and approval of this Constitution, may be purchased by or for the Tribe, with the consent of all the adult heirs, and the legal guardians of minor heirs, payment therefor to be made as may be agreed upon.

(c) Land owned by any member of the Tribe, who is over the age of sixty (60) years, or who is physically incapacitated, may be transferred by its owner to the Tribe in exchange for a pension of not more than twice the annual rental value of the land for the life of the pensioner, to be paid out of available tribal funds.

(d) Land owned by any member of the Tribe in excess of his needs for domestic purposes may be purchased by the Tribe with the consent of the owner, payments to be made on such terms as may be agreed upon by the Council and the owner.

(e) Land owned by any members of the Tribe who desire to leave the reservation permanently may be purchased by the Tribe under such terms as may be agreed upon.

SEC. 13. Method of making assignments.—Applications for assignments shall be filed with the Secretary of the Council and shall be in writing, setting forth the name of the person or persons applying for the land and as accurate a description

of the land desired as the circumstances will permit.

Notices of all applications received by the Secretary shall be posted by him in the Agency office and in at least three conspicuous places on the reservation for not less than twenty (20) days before action is taken by the Council. Any member of the Tribe wishing to oppose the granting of an assignment shall do so in writing, setting forth his objections, to be filed with the Secretary of the Council, and may if he so desires, appear before the Council to present evidence. The Secretary of the Council shall furnish the Superintendent or other officers in charge of the agency a complete record of all action taken by the Council on applications for assignment of land, and a complete record of assignments shall be kept in the agency office and shall be open for inspection by members of the Tribe.

The Council shall draw up one or more forms for standard and exchange assignments, which shall be subject to the approval of the Secretary of the Interior.

ARTICLE IX — REFERENDUM

Upon a petition of at least one-third (1/3) of the qualified voters of the Quileute Tribe, a referendum may be demanded on any enacted or proposed ordinance or resolution of the Tribal Council, and the vote of the majority of the qualified voters in such referendum shall be conclusive and binding on the Tribal Council.

ARTICLE X — AMENDMENTS

This Constitution and By-Laws may be amended by a majority vote of the qualified voters of the Tribe voting at an election called for that purpose by the Secretary of the Interior, provided that at least thirty percent of those entitled to vote in such election; but no amendment shall become effective until it shall have been approved by the Secretary of the Interior.

The jurisdiction of the Tribe over such lands, and over the allotted lands within the original boundaries of the Skokomish Reservation, shall not be inconsistent with applicable Federal and State laws. However, nothing in this Article shall be construed as restricting the treaty hunting and fishing rights of members, including the right to fish in usual and accustomed places.

ARTICLE II — MEMBERSHIP

SECTION 1. The membership of the Skokomish Indian Tribe shall consist of the following persons, provided that such persons have not relinquished membership in the Skokomish Tribe or have not become enrolled as members of any other tribe, band, or Indian Community:

changed by any action under this section.

ARTICLE III -- GOVERNING BODY

SECTION 1. The governing body of the Skokomish Indian Tribe shall consist of a council known as the Skokomish Indian Tribal Council.

SEC. 4. The present tribal council within 60 days after the ratification and approval of this constitution, shall call a general tribal meeting for the election of councilmen in accordance with this constitution. SEC. 2. Manner of Review.—Any resolution or ordinance, which by the terms of this constitution, is subject to review by the Secretary of the Interior, shall be presented to the Superintendent of the Reservation, who shall within 10 days after its receipt, approve or disapprove the same. If the Superintendent shall approve said resolution or ordinance, it shall thereupon become effective, but the Superintendent shall transmit a copy of the same, bearing his endorsement, to the Secretary of the Interior, who may, within 90 days from the date of its receipt, rescind the said resolution or ordinance for any cause by notifying the Tribal Council of such decision.

If the Superintendent shall refuse to approve any resolution or ordinance submitted to him within 10 days after its receipt, he shall advise the Skokomish Tribal Council of his reasons therefor: If these reasons appear to the Council insufficient, it may, by a majority vote, refer the resolution or ordinance to the Secretary of the Interior, who may, within 90 days from the date of its receipt, approve the same in writing, whereupon the said resolution or ordinance shall become effective.

SEC. 3. Civil Liberties.—All members of the tribe may enjoy, without hindrance, freedom of worship, conscience, speech, press, assembly, and association.

ARTICLE VIII — LAND

SECTION 1. Allotted Lands.—Allotted lands, including heirship lands, within the Skokomish Indian Reservation, shall continue to be held as heretofore by their present owners. It is recognized that under existing law, such lands may be condemned for public purposes, such as roads, public buildings, or other public improvements, upon payment of adequate compensation, by any agency of the State of Washington, or of the Federal Government, or by the tribe itself. It is further recognized that under existing law, such lands may be inherited by the heirs of the present owner, whether or not they are members of the Skokomish Indian Tribe. Likewise, it is recognized that under existing law, the Secretary of the Interior may, in his discretion, remove restrictions upon such land, upon application by the Indian owner, whereupon the land will become subject to State taxes and may then be mortgaged or sold. The right of the individual Indian to hold or to part with his land, as under existing law, shall not be abrogated by anything contained in this constitution, but the owner of restricted land may, with the approval of the Secretary of the Interior, voluntarily convey his land to the Skokomish Indian Tribe either in exchange for a money payment or in exchange for an assignment covering the same land, or other land, as hereinafter provided.

SEC. 2. Tribal land.—The unallotted lands of the Skokomish Reservation, and all lands which may hereafter be acquired by the Skokomish Indian Tribe or by the United States in trust for the Skokomish Indian Tribe, shall be held as tribal lands, and no part of such land shall be mortgaged or sold. Tribal lands shall not be allotted to individual Indians, but may be assigned to members of the Skokomish Indian Tribe, or leased, or otherwise used by the tribe, as hereinafter provided.

SEC. 3. Leasing of Tribal lands.—Tribal lands may be leased by the tribal council, with the approval of the Secretary of the Interior, for such periods of time as are permitted by law.

In the leasing of tribal lands, preference shall be given first to Indian cooperative associations of members of the tribe; and second, to individual Indians who are members of the Skokomish Indian Tribe.

SEC. 4. Grant of Standard Assignments.—In any assignment of tribal lands which now are owned by the tribe or which hereafter may be acquired for the tribe by the United States or purchased by the tribe out of tribal funds, preference shall be given, first, to heads of families which are entirely landless; and

second, to heads of families which have no allotted lands or interests in allotted lands, but shall have already received assignments consisting of less than an economic unit of agricultural land or other land, or interest in land of equal value.

No allotted member of the Skokomish Indian Tribe who may hereafter have the restrictions upon his land removed and whose land may thereafter be alienated, except to the tribe, shall be entitled to receive an assignment of land as a landless Indian.

The tribal council may, if it sees fit, charge a fee of not to exceed \$5.00 on approval of an assignment made under this section.

Assignments made under this section shall be for the primary purpose of establishing homes for landless Indians, and shall be known as standard assignments.

SEC. 5. Tenure of Standard Assignments.—If any member of the tribe holding a standard assignment of land shall, for a period of two years, fail to use the land so assigned or use such land for any unlawful purpose, his assignment may be cancelled by the tribal council after due notice and an opportunity to be heard, and the said land may be reassigned in accordance with the provisions of Section 4 of this article.

Upon the death of any Indian holding a standard assignment, his heirs or other individuals designated by him by will or by written request, shall have a preference in the reassignment of the land, provided such persons are members of the Skokomish Indian Tribe who would be eligible to receive a standard assignment.

SEC. 6. Grant of Exchange Assignments.—Any member of the tribe who owns an allotment or any share of heirship land may voluntarily transfer his interests in such land to the tribe in exchange for an assignment to the same land or other land of equal value. If the assignee prefers, he may receive in lieu of a specific tract of land a proportionate share in a larger unit.

Assignments made under this section shall be known as exchange assignments.

SEC. 7. Any member of the Tulalip Tribes accused of any offense shall have the right to a prompt, open, and public hearing, with due notice of the offense charged, and shall be permitted to summon witnesses on his own behalf. Trial by jury may be demanded by any prisoner accused of any offense punishable by more than thirty (30) days' imprisonment. Excessive bail shall not be required and cruel punishment shall not be imposed.

ARTICLE VIII — LAND

SECTION 1. Allotted lands. Allotted lands, including heirship lands, within the Tulalip Reservation shall continue to be held as heretofore by their present owners. It is recognized that under existing law such lands may be condemned for public purposes, such as roads, public buildings, or other public improvements, upon payment of adequate compensation, by any agency of the State of Washington, or of the Federal Government, or by the tribe itself. It is further recognized that under existing law such lands may be inherited by the heirs of the present owner, whether or not they are members of the Tulalip Tribes. Likewise it is recognized that under existing law the Secretary of the Interior may, in his discretion, remove restrictions upon such land, upon application by the Indian owner, whereupon the land will become subject to State taxes and may then be mortgaged or sold. The right of the individual Indian to hold or to part with his land, as under existing law, shall not be abrogated by anything contained in this constitution, but the owner of restricted land may, with the approval of the Secretary of the Interior, voluntarily convey his land to the Tulalip Tribes either in exchange for a money payment or in exchange for an assignment covering the same land or other land, as hereinafter provided.

SEC. 2. Tribal lands. The unallotted lands of the Tulalip Reservation, and all lands which may hereafter be acquired by the Tulalip Indians or by the United States in trust for the Tulalip Indians, shall be held as tribal lands, and no part of such land shall be mortgaged or sold. Tribal lands shall not be allotted to individual Indians, but may be assigned to members of the Tulalip Tribes, or leased, or otherwise used by the tribes, for the common benefit of the members thereof.

SEC. 3. Leasing of tribal lands. Tribal lands may be leased by the board of directors, with the approval of the Secretary of the Interior, for such periods of time as are permitted by law.

In the leasing of tribal lands preference shall be given, first, to Indian cooperative associations, and, secondly, to individual Indians who are members of the Tulalip Tribes.

SEC. 4. Grant of "standard" assignments. In any assignment of tribal lands which now are owned by the tribes or which hereafter may be acquired for the tribes by the United States or purchased by the tribes out of tribal funds, preference shall be given, first, to heads of families which have not allotted lands or interests in allotted lands.

No allotted member of the Tulalip Tribes who may hereafter have the restrictions upon his land removed and whose land may thereafter be alienated shall be entitled to receive an assignment of land as a landless Indian.

The board of directors may, if it sees fit, charge a fee of not to exceed \$5 on approval of an assignment made under this section.

Assignments made under this section shall be for the primary purpose of establishing homes for landless Indians, and shall be known as standard assignments.

SEC. 5. Tenure of standard assignments. If any member of the tribes holding a standard assignment of land shall, for a period of two (2) years, fail to use the land so assigned or use such land for any unlawful purposes, his assignment may be cancelled by the board of directors after due notice and an opportunity to be heard, and the said land may be reassigned in accordance with the provisions of section 4 of this article.

Upon the death of any Indian holding a "standard" assignment, his heirs or other individuals designated by him by will or by written request shall have a preference in the reassignment of the land, provided such persons are members of the Tulalip Tribes who would be eligible to receive a "standard" assignment.

SEC. 6. Grant of "exchange" assignments. Any member of the tribes who owns any restricted or unrestricted land or any interest therein may, with the approval of the Secretary of the Interior, voluntarily transfer his interest in such land to the tribes in exchange for an assignment to the same land or other land of equal value. If the assignee prefers, he may receive, in lieu of a specific tract of land, a proportionate share in a larger grazing unit.

Assignments made under this section shall be known as "exchange" assignments.

SEC. 7. Leasing of exchange assignments. Exchange assignments may be used by the assignee or leased by him to Indian cooperative associations, to individual members of the tribes, or, if no individual Indian or Indian cooperative association is able and willing to rent the land at a reasonable fee, such assignments may be leased to non-Indians, in the same manner as allotted lands.

SEC. 8. Inheritance of exchange assignments. Upon the death of the holder of any exchange assignment, such land shall be reassigned by the board of directors to his heirs or devisees, subject to the following conditions:

(a) Such lands may not be reassigned to any heir or devisee who is not a member of the Tulalip Tribes, except that a life assignment may be made to the surviving widower or widow of the holder of an assignment.

(b) Such lands may not be reassigned to any heir or devisee who already holds more than forty (40) acres of uncleared land or other land or interest in land of equal value, either under allotment or under assignment.

(c) Such lands may not be subdivided among heirs or devisees into units too small for convenient management. No area of uncleared land shall be subdivided into units smaller than (20) acres, and no area of agricultural land shall be subdivided into units smaller than two and one-half (2 1/2) acres, except that land used for buildings or other improvements may be divided to suit the convenience of the parties. Where it is impossible to divide the land properly among the eligible heirs or devisees interests in tribal land or property of the same value as the assignment of the decedent.

(d) If there are no eligible heirs or devisees of the decedent, the land shall be eligible for reassignment in accordance with the provisions of section 4 of this article.

SEC. 9. Inheritance of improvements. Improvements of any character made upon assigned land may be bequeathed to and inherited by member of the Tulalip Indians or otherwise disposed of under such regulations as the board of directors shall provide. No permanent improvements shall be removed from the land without the consent of the board of directors.

SEC. 10. Exchange of assignments. Assignments may be exchanged between members of the Tulalip Tribes by common consent in such manner as the board of directors shall designate.

SEC. 11. Use of unassigned community land. Community land which is not assigned, including community timber reserves, shall be managed by the board of directors for the benefit of the members of the entire community, and any cash income derived from such land shall accrue to the benefit of the community as a whole. All action of the board of directors with respect to such lands shall be in conformity with departmental regulations for protection of Indian range and timber resources authorized by section 6 of the act of June 18, 1934.

SEC. 12. Purchase of land by tribes. Tribal funds may be used, with the consent of the Secretary of the Interior, to acquire land, under the following conditions:

(a) Land within the Tulalip Reservation or adjacent to the boundaries thereof which is not now in Indian ownership may be purchased by or for the Tulalip Indians.

(b) Restricted land which is in heirship status at the time of the adoption and approval of this constitution may be purchased by or for the tribes, with the consent of all the adult heirs, and the legal guardians of minor heirs, payment thereof to be made as may be agreed upon.

(c) Land owned by any member of the tribes who is over the age of sixty (60) years, or who is physically incapacitated, may be transferred by its owner to the tribes in exchange for a pension of not more than twice the annual rental value of the land for the life of the pensioner, to be paid out of available tribal funds.

(d) Land owned by any member of the community in excess of his needs for domestic purposes may be purchased by the community, with the consent of the owner, payments to be made under such terms as may be agreed upon by the Senate and owner.

(e) Land owned by any member of the tribes who desires to leave the reservation permanently may be purchased by the tribes, under such terms as may be agreed upon.

SEC. 13. Method of making assignments. Applications for assignment shall be filed with the secretary of the board and shall be in writing, setting forth the name of the person or persons applying for the land and as accurate a description of the land desired as the circumstances will permit. Notices of all applications received by the secretary shall be posted by him in the agency office and in at least three (3) conspicuous places on the reservation for not less than twenty (20) days before action is taken by the board. Any member of the tribes wishing to oppose the granting of an assignment shall do so in writing, setting forth his objections, to be filed with the secretary of the board, and may if he so desires appear before the board to present evidence. The secretary of the board shall furnish the superintendent or other officers in charge of the agency a complete record of all action taken by the board on applications for assignment of land, and a complete record of all action taken by the board on applications for assignment of land, and a complete record of assignments shall be kept in the agency office and shall be open for inspection by members of the tribes.

The board shall draw up one or more forms for standard and exchange assignments, which shall be subject to the approval of the Secretary of the Interior.

ARTICLE IX -- AMENDMENTS

Amendments to the constitution and by-laws may be ratified and approved in the same manner as this constitution and by-laws.

Whenever five members of the council shall consider an amendment necessary such amendment shall be duly approved by five or more members of the council and sent to the Secretary of the Interior. It shall then be the duty of the Secretary of the Interior to call an election. If at such election the amendment is adopted by a majority of the qualified voters of the tribe voting therein and if at least thirty percent (30%) of those entitled to vote shall vote in such election, such amendment shall be submitted to the Secretary of the Interior and, if approved by him, shall thereupon take effect.

Ratified April 23, 1938

A Federal Corporation Chartered Under the Act of June 18, 1934.

Whereas, the Confederated Tribes of the Warm Springs Reservation of Oregon are a recognized Indian tribe organized under a constitution and by-laws ratified by the members of the Confederated Tribes on December 18, 1937, and approved by the Assistant Secretary of the Interior on February 14, 1938, pursuant to Section 16 of the Act of June 18, 1934 (48 Stat. 984), as amended by the Act of June 15, 1935 (49 Stat. 378); and

Whereas, more than one-third of the adult members of the Confederated Tribes have petitioned that a charter of incorporation be granted to said Confederated Tribes, subject to ratification by a vote of the adult Indians living on the reservation;

Now, therefore, I, Oscar L. Chapman, Assistant Secretary of the Interior, by virtue of the authority conferred upon me by the said act of June 18, 1934 (48 Stat. 984), do hereby issue and submit this charter of incorporation to the Confederated Tribes of the Warm Springs Reservation of Oregon, to be effective from and after such time as it may be ratified by a majority vote of the adult Indians living on the reservation at an election in which at least 30 per cent of the eligible voters vote.

1. Corporate Existence. In order to further the economic development of the Confederated Tribes of the Warm Springs Reservation of Oregon by conferring upon the said Confederated Tribes certain corporate rights, powers, privileges and immunities; to secure for the members of the Confederated Tribes and assured economic independence; and to provide for the proper exercise by the Confederated Tribes of various functions heretofore performed by the Department of the Interior, the aforesaid Confederated Tribes are hereby chartered as a body politic and corporate of the United States of America, under the corporate name "The Confederated Tribes of the Warm Springs Reservation of Oregon."

2. Perpetual Succession. The Confederated Tribes shall, as a Federal corporation, have perpetual succession.

3. Membership. The Confederated Tribes shall be a membership corporation. Its members shall consist of all persons now or hereafter members of the Confederated Tribes, as provided by its duly ratified and approved constitution and by-laws.

4. Management. The Tribal Council established in accordance with the said constitution and by-laws of the Confederated Tribes, shall exercise all the corporate powers hereinafter enumerated.

5. Corporate Powers. The Confederated Tribes, subject to any restrictions contained in the Constitution and laws of the United States, or in the Constitution and By-laws of the said Confederated Tribes, shall have the following corporate

powers, in addition to all powers already conferred or guaranteed by the Tribal Constitution and By-laws:

- (a) To adopt, use, and alter at its pleasure a corporate seal.
- (b) To purchase, take by gift, bequest, or otherwise, own, hold, manage, operate, and dispose of property of every description, real and personal, subject to the following limitations:
 - (1) No sale or mortgage may be made by the Confederate Tribes of any land, or interests in land, including water power sites, now or hereafter held by the Confederate Tribes.

Power sites may be leased with the consent of a majority of the voters of the Confederate Tribes voting at an election in which at least 30 per cent of the eligible voters vote.
 - (4) Every action shall be taken by and in behalf of the Confederate Tribes which may operate to prevent destruction or injury to tribal grazing lands, timber, or other natural resources of the Warm Springs Reservation. All leases, permits and timber-sale contracts relating to the use of tribal grazing or timber lands shall conform to regulations of the Secretary of the Interior authorized by Section 6 of the Act of June 18, 1934, with respect to range carrying capacity, sustained yield forestry management, and other matters therein specified. Conformity to such regulations shall be made a condition of any such lease, permit, or timber sale contract, whether or not such agreement requires the approval of the Secretary of the Interior, and violation of such condition shall render the agreement revocable, in the discretion of the Secretary of the Interior.
- (c) To issue interests in corporate property in exchange for restricted Indian lands, the forms for such interests to be approved by the Secretary of the Interior.
- (d) To borrow money from the Indian Credit Fund in accordance with the terms of Section 10 of the Act of June 18, 1934 (48 Stat. 984), or from any other governmental agency, or from any member or association of members of the Confederate Tribes, and to use such funds directly for productive tribal enterprises, or to loan money thus borrowed to individual members or associations of members of the Confederate Tribes: Provided, That the amount of indebtedness to which the Confederate Tribes may subject itself, aside from loans from the Indian Credit Fund, shall not exceed \$25,000.00, except with the express approval of the Secretary of the Interior.

(f) To make and perform contracts and agreements of every description, not inconsistent with law or with any provisions of this Charter, with any person, association, or corporation, with any municipality or any county, or with the United States or the State of Oregon, including agreements with the State of Oregon for the rendition of public services: Provided, That all contracts involving payment of money by the corporation in excess of \$2,500.00 in any one fiscal year shall be subject to the approval of the Secretary of the Interior or his duly authorized representative, and shall be subject to the restrictions contained in Article V, Section (t) of the Constitution.

(i) To sue and to be sued in courts of competent jurisdiction within the United States; but the grant or exercise of such power to sue and to be sued shall not be deemed a consent by the Confederated Tribes or by the United States to the levy of any judgment, lien, or attachment upon the property of the Confederated Tribes other than income or chattels specially pledged or assigned.

(j) To exercise such further incidental powers, not inconsistent with law, as may be necessary to the conduct of corporate business.

6. Termination of Supervisory Powers. Upon request by the Tribal Council for the termination of any supervisory power reserved to the Secretary of the Interior under sections 5 (b), 5 (c), 5 (d), 5 (f), 5 (g), 5 (h), and section 8 of this Charter, the Secretary of the Interior, if he shall approve such request, shall thereupon submit the question of such termination for ratification by the Confederated Tribes. The termination shall be effective upon ratification by a majority vote of the adult members of the Confederated Tribes residing on the reservation, at an election in which at least 30 per cent of the eligible voters vote. If at any time after ten years from the date of approval of this Charter, the Secretary shall disapprove a request for the termination of any such power, or fail to approve or disapprove it within 90 days after its receipt, the question of its termination may then be submitted by the Secretary or by the Tribal Council to popular referendum of the adult members of the Confederated Tribes actually living within the reservation, and if the termination is approved by two-thirds of the eligible voters it shall be effective.

7. Corporate Property. No property rights of the Confederated Tribes of the Warm Springs Reservation shall be in any way impaired by anything contained in this Charter, and the tribal ownership of unallotted lands, whether or not assigned to the use of any particular individuals, is hereby expressly recognized. The individually owned property of members of the Confederated Tribes shall not be subject to any corporate debts or liabilities without such owners' consent. Any such distribution of profits in any one year amounting to a per capita cash payment of \$100 or more, shall not be made without the approval of the Secretary of the Interior.

9. Corporate Accounts. The officers of the Confederated Tribes shall maintain accurate and complete public accounts of the financial affairs of the Confederated Tribes, which shall clearly show all credits, debts, pledges, and assignments, and shall furnish an annual balance sheet and report of the financial affairs of the Confederated Tribes to the Commissioner of Indian Affairs.

ARTICLE VIII — LAND

SECTION 1. Allotted Lands. Allotted lands, including heirship lands, within the Warm Springs Reservation, shall continue to be held as heretofore by their present owners. The right of the individual Indian to hold or to part with his land, as under existing law, shall not be abrogated by anything contained in this Constitution, but the owner of restricted land may, with the approval of the Secretary of the Interior, voluntarily convey his land to the Confederated Tribes either in exchange for a money payment or in exchange for an assignment covering the same land or other land, as hereinafter provided.

The Tribal Council shall have the right to exchange tribal lands for individual allotments when necessary for consolidation of tribal holdings and subject to approval of the Secretary of the Interior. Such exchanges shall be based on the appraised value of the lands so exchanged, and the individual Indian shall hold the land so exchanged in the same manner as the original allotment, or as an exchange assignment at the option of the owner.

SEC. 2. Tribal Lands. The unallotted lands of the Warm Springs Reservation, and all lands which may hereafter be acquired by the Confederated Tribes of the Warm Springs Reservation, or by the United States in trust for the Confederated Tribes of the Warm Springs Reservation, shall be held as tribal land, and no part of such land shall be mortgaged or sold. SEC. 3. Leasing of Tribal Lands. Tribal lands may be leased by the Tribal Council, with the approval of the Secretary of the Interior, for such periods of time as are permitted by law.

In leasing of tribal lands preference shall be given first, to Indian cooperative associations, and secondly, to individual Indians who are members of the Confederated Tribes. No lease of tribal land to a nonmember shall be made by the Tribal Council unless it shall appear that no Indian cooperative association or individual member of the Confederated Tribes is able and willing to use the land and to pay a reasonable fee for such use.

Grazing permits covering tribal land may be issued by the Tribal Council, with the approval of the Secretary of the Interior, in the same manner and upon the same terms as leases.

SEC. 4. Grants of Standard Assignments. In any assignment of tribal lands which now are owned by the Confederated Tribes or which may hereafter be acquired for the Confederated Tribes by the United States, or purchased by the Confederated Tribes out of tribal funds, preference shall be given, first, to heads of families which are entirely landless, and second, to members of the Confederated Tribes having allotted lands, or interests in inherited lands, which are for one reason or another unsuitable for economical use, who may be benefited by exchanging such interests for tribal lands suitable for cultivation.

Assignments made under this section shall be for the primary purpose of establishing homes for landless Indians, and for Indians whose present land holdings are not suitable for economical use.

Tribal lands under this section may be assigned by the Tribal Council in economic units, (but not in excess of 40 acres of irrigated farm land, or 80 acres of dry-farm land to any head of a family.)

No allotted member of the Confederated Tribes who may hereafter have the restrictions upon his land removed and whose land may thereafter be alienated shall be entitled to receive an assignment of land as a landless Indian.

The Tribal Council may, if it deems advisable, charge a fee of not to exceed \$5.00 on approval of an assignment of land made under this section.

(See Amendment II)

SEC. 5. Tenure of Standard Assignments. If any member of the Confederated Tribes holding a standard assignment of land shall, for a period of two years, abandon, or fail to put forth reasonable efforts to improve and use beneficially the land so assigned, or shall use such land for any unlawful purpose, his assignment may be cancelled by the Tribal Council after he has had due notice and an opportunity to be heard, and the said land may be re-assigned in accordance with the provisions of Section 4 of this article.

Upon the death of any Indian holding a standard assignment, his heirs, or other individuals designated by him by will or by written request, shall have a preference in the reassignment of the land, provided such persons are members of the Confederated Tribes who would be eligible to receive a standard assignment.

SEC. 6. Grant of Exchange Assignments. Any member of the Confederated Tribes who owns an allotment or any share of heirship land, or any unencumbered deeded land within the reservation, may voluntarily transfer his interests in such land to the Confederated Tribes in exchange for an assignment to the same land, or to other lands of equal value, as an exchange assignment. If the assignee prefers, he may receive, in lieu of a specific tract of land, a proportionate share in a larger grazing unit.

Assignments made under this section shall be known as "exchange assignments."

SEC. 7. Leasing of Exchange Assignments. Exchange assignments may be used by the assignee or leased by him to Indian cooperative associations, to individual members of the Confederated Tribes, or if no individual Indian or Indian cooperative association is able and willing to rent the land at a reasonable fee, such assignments may be leased to non-Indians in the same manner as allotted lands.

SEC. 8. Inheritance of Exchange Assignments. Upon the death of the holder of an exchange assignment, his land shall be reassigned by the Tribal Council to his heirs or devisees, subject to the following conditions:

(a) Such lands may not be reassigned to any heirs or devisees who are not members of the Confederated Tribes, except that a life assignment may be made to the surviving widower or widow of the holder of an assignment.

(b) Such lands may not be subdivided into units smaller than 160 acres of grazing land, and no area of agricultural land shall be subdivided into units smaller than two and one-half acres, except that land used for buildings or other improvements may be divided to suit the convenience of the parties. Where it is impossible to divide the land properly among the eligible heirs or devisees, the Tribal Council shall issue to the eligible heirs or devisees, grazing permits or other interests in tribal lands of the same value as the assignment of the decedent.

(c) Such lands may not be reassigned to any heir or devisee who already holds more than 640 acres of grazing land, or other land or interests in lands of equal value, either under allotment or under assignment.

(d) If there are no eligible heirs or devisees of the decedent, the land shall be eligible for reassignment in accordance with the provisions of Section 4 of this article.

SEC. 9. Inheritance of Improvements. Improvements of any character made upon assigned land may be bequeathed to and inherited by members of the Confederated Tribes, or otherwise disposed of under such regulation as the Tribal Council shall provide. No permanent improvements shall be removed from the land without the consent of the Tribal Council.

SEC. 10. Exchange of Assignments. Assignments may be exchanged between members of the Confederated Tribes by common consent in such manner as the Tribal Council shall designate.

SEC. 11. Use of Unassigned Tribal Land. Tribal land which is not assigned, including tribal timber reserves, shall be managed by the Tribal Council for the benefit of the members of the entire community, and any cash income derived from such land shall accrue to the benefit of the community as a whole.

SEC. 12. Purchase of Land by the Community. Tribal funds may be used, with the consent of the Secretary of the Interior, to acquire land under the following conditions:

(a) Land within the Warm Springs Reservation, or adjacent to the boundaries thereof, which is not now in Indian ownership may be purchased by or for the Confederated Tribes.

(b) Restricted land which is in heirship status at the time of the adoption and approval of this Constitution, or which may hereafter fall into heirship status, may be purchased by or for the Confederated Tribes, with the consent of all the adult heirs, and the legal guardians of minor heirs, or incompetent heirs, payment therefor to be made as may be agreed upon.

(c) Land owned by any member of the Confederated Tribes who is over the age of 60 years, or who is physically incapacitated may be transferred by its owner to the Confederated Tribes in exchange for a pension of not less than \$15.00, or more than \$30.00 per month, at the discretion of the Council, for the remainder of his natural life, or he may, at his own option, transfer his land to the Confederated Tribes in exchange for a consideration to be mutually agreed upon between the owner and the Tribal Council, such consideration to be paid in ten equal annual installments, either to the transferor or in the case of his death, to his heirs. Purchases made under this section shall be made from available tribal funds.

(d) Land in excess of 320 acres owned by any member of the Confederated Tribes may be purchased with the consent of the owner, payments to be made under such terms as may be agreed upon.

(e) Land owned by any member of the Confederated Tribes who desires to leave the Reservation permanently may be purchased by the Confederated Tribes, under such terms as may be agreed upon.

SEC. .3. Method of Making Assignments. Applications for assignments shall be filed with the Secretary of the Council and shall be in writing, setting forth the name of the person or persons applying for the land and as accurate a description of the land desired as the circumstances will permit. Notices of all applications received by the Secretary shall be posted by him in the agency office and in at least three conspicuous places in the district in which the land is located, for not less than 20 days before action is taken by the Council.

Any member of the Confederated Tribes wishing to oppose the granting of an assignment shall do so in writing, setting forth his objections, to be filed with the Secretary of the Council, and may, if he so desires, appear before the Council to present evidence. The Secretary of the Council shall furnish the Superintendent or other officer in charge of the agency a complete record of all action taken by the Council on applications for assignment of land, and a complete record of assignments shall be kept in the agency office and shall be open for inspection by all members of the Confederated Tribes.
